

REMARKS

Claims 1-42 are provisionally rejected under obviousness-type double patenting as unpatentable over certain claims of co-pending Application Nos. 10/704,775 and 09/739,315.

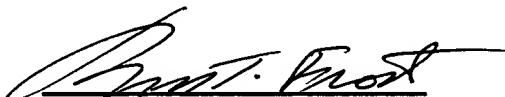

In response to these rejections, the applicants here submit separate terminal disclaimers relative to those applications. These terminal disclaimers overcome the provisional rejections based on those applications.

The foregoing is submitted as a complete response to the Office action identified above. The applicants respectfully submit that the present application is in condition for allowance and solicit a notice to that effect.

Respectfully submitted,

MERCHANT & GOULD
